Introducing Global Englishes Nicola Galloway, Heath Rose

Introducing Global Englishes provides comprehensive coverage of relevant research in the fields of World Englishes, English as a Lingua Franca, and English as an International Language. The book introduces students to the current sociolinguistic uses of the English language, using a range of engaging and accessible examples from newspapers (*Observer, Independent, Wall Street Journal*), advertisements, and television shows. The book:

- Explains key concepts connected to the historical and contemporary spread of English.
- Explores the social, economic, educational, and political implications of English's rise as a world language.
- Includes comprehensive classroom-based activities, case studies, research tasks, assessment prompts, and extensive online resources.

Introducing Global Englishes is essential reading for students coming to this subject for the first time.
