John Foster

Learning about Language: Activities for the Primary Classroom John Foster

Bringing a fresh and lively approach to language study, *Learning about Language* is an exciting collection of fun, creative activities and warm-up games that explore the multifaceted nature of the English language. For use in any primary classroom, this book will help develop the pupil's knowledge of how the English language works and will improve their ability to use language effectively.

Throughout the book, the author explains key features of the English language by arranging the volume alphabetically into sections, each of which explores a different linguistic feature. Foster suggests enjoyable activities that will enable students to consolidate their learning and improve their communication skills through word play, and frequently uses rhyme to illustrate and elaborate on points made.

Areas covered include:

- Spelling, punctuation and grammar;
- Origin, meaning, similarities and differences of words, including homonyms, anagrams and synonyms;
- The explanation of particular uses of language for specific purposes;
- Humorous misuse of words, including malapropisms and spoonerisms;
- The inclusion of numerous opportunities for students to play with words by participating in word games and through their own writing.

With its unique and accessible approach to language study, *Learning about Language* provides teachers of English with a dynamic collection of resources that will be welcomed by educators and students alike.

Della McDonald:

This Learning about Language: Activities for the Primary Classroom is new way for you who has curiosity to look for some information given it relief your hunger associated with. Getting deeper you onto it getting knowledge more you know or perhaps you who still having little bit of digest in reading this Learning about Language: Activities for the Primary Classroom can be the light food for you because the information inside this specific book is easy to get through anyone. These books acquire itself in the form which is reachable by anyone, that's why I mean in the e-book type. People who think that in publication form make them feel drowsy even dizzy this guide is the answer. So there is no in reading a reserve especially this one. You can find actually looking for. It should be here for anyone. So , don't miss it! Just read this e-book kind for your better life along with knowledge.

Thomas Paine:

As a scholar exactly feel bored for you to reading. If their teacher questioned them to go to the library as well as to make summary for some e-book, they are complained. Just tiny students that has reading's heart and soul or real their leisure activity. They just do what the trainer want, like asked to the library. They go to right now there but nothing reading significantly. Any students feel that reading is not important, boring along with can't see colorful pictures on there. Yeah, it is for being complicated. Book is very important for you. As we know that on this era, many ways to get whatever we wish. Likewise word says, many ways to reach Chinese's country. Therefore , this Learning about Language: Activities for the Primary Classroom can make you feel more interested to read.
