[BookStrand Futuristic Sci-Fi Romance, shape-shifters, HEA] As embattled worlds welcome a long-awaited cease-fire, High Commander Ty Draycie seeks evidence against a rebel force undermining his family's rule of their growing kingdom. Under royal insistence, he takes along on his mission a gorgeous, raven-tressed alien priestess who will serve as lure for a traitor. Disbelieving space tales of shape-shifters, Ty's mind is filled with want for the pink-eyed witch. Priestess Zia Valentis has lost much to this shaky new peace. Now a genocidal monster hunts her. Her defense awaits in the majestic white tigress, the priestess's companion-spirit in the Second Universe. Safety lies in the virile high commander's guard, but falling into his sensuous temptation will cost her the sacred shift forever. Could she steal Ty's healthy genes for her dying world without suffering his great power to smash her plans? The vicious Desert Viper gives chase, ready to eliminate the shape-shifting priestesses of Pygras, beginning with Zia, the shifter held by his worst enemy, Ty Draycie. ** A BookStrand Mainstream Romance
