Path to Freedom, The: Black Families in New Jersey

Walter D. Greason

Path to Freedom, The: Black Families in New Jersey Walter D. Greason

The struggle for black freedom and equality is a legacy that belongs to all Americans. In the twentieth century, this story of triumph over injustice inspired the spread of democracy around the world. From the villages of Eastern Europe to the cities of Asia and Africa, people have found new strength, hope and courage in the ways African Americans defeated Jim Crow segregation in the United States. Liberty and equality required the sacrifices of many African Americans who lived and made a difference in New Jersey, including the Russell, Ham and Brown families whom Walter Greason documents in this book. This contemporary narrative of community uplift offers a fresh appreciation of just how long the path to justice is.
