A Scottish lost treasures collection of classic adventure fiction, with superbly plotted and descriptive narratives. Bundled by subject matter, the books complement each other to create a compelling trilogy.

"Palimpsest's eClassics series, Scottish Lost Treasures, shows us how much poorer Britain's cultural heritage would be without Scottish writers ... The best example I've seen of how curation and presentation can bring old books to new audiences" - The Observer "This strikes me as a fantastic venture, and one I hope will expand further" - Professor Willy Maley, University of Glasgow, Scotland on Sunday
