The Winter's Tale: A Guide to the Play (Greenwood Guides to Shakespeare)

Joan L. Hall

The Winter's Tale: A Guide to the Play (Greenwood Guides to Shakespeare) Joan L. Hall

With a raging bear, the figure of Time, and a statue that turns out to be a living woman, *The Winter's Tale* is one of Shakespeare's most unusual dramas. This book conveniently overviews the play and its contexts. The guide begins with a discussion of the play's textual history and its relation to early 17th-century political, social, and agrarian developments. It then examines Shakespeare's dramatic art, characters, and themes. The final chapters review the critical and scholarly response to Shakespeare's work and its performance history.
